MR. DAVE MASTIN

Mr. Mastin has taught at Antwerp High School for the past ten years. His teaching assignments have included science, drivers' training, and O.W.A. for junior high students.

MR. FRITZ EHRHART

Fritz has given unselfishly of his time and effort to assist the 1981 staff and others to make our publication a success. Through the years countless hours were spent giving us the right pictures for the Archer.

EDITOR PAGE

What is a yearbook? A yearbook is a history, a memory, and a public relations book. A yearbook consists of events and people joined together to be remembered for years to come.

As editor of the 1981 ARCHER, I had many commitments to carry out. It was my job to make sure that many different people and events were represented. I guess the hardest part of my job was trying to please everyone; and that wasn't easy! There were times when I ran into difficulty trying to meet deadlines, trying to find pictures that seemed just to disappear, and trying to sell as many ads as possible.

Sometimes the overall effect of a yearbook can be a bit monotonous and unoriginal, but I am very proud of our staff's new ideas and layouts. I feel that after you glance through the 1981 ARCHER, you will realize the hard work that was put into it's pages.

I would like to acknowledge the assistance of our yearbook advisor, Ms. Elizabeth Kline. She kept me busy and helped me with any problems I came across. For this and many other things she did, I say, "Thanks we couldn't have done it without you."

THE 1981 ARCHER staff consisted of 15 members. Without their dedication and hard work, the yearbook would not have gotten completed. I would like to thank all the staff members for their hard work.

I would also like to thank Mr. Walter Ferdon for his moral support throughout the year.

A very special thanks goes to Fritz Ehrhart for all his photography work. If it hadn't been for him, we would have a yearbook without pictures.

It has been my wish to give you the best ARCHER yearbook that I possibly could. May it be a challenge for future years.

At this time I would like to present THE 1981 ARCHER — may you cherish it forever!!!

IF YOU REMEMBER ME?

When you remember me
If you remember me
I hope you see
It's not the way I want it to be
Or I'd be with you now
But wherever you go
My love goes with you

Keep on Smiling?
Keep on Shining?
Even though you know you wanta cry
Lookin in my eyes
You saw promise and lies
Too many times

When you remember me
If you remember me
I hope you see
It's not the way I want it to be
Or I'd be with you now
But wherever you go
My love goes with you

I'll be with you
keep believing
Sometimes even time can't come between
And if you, blame me
Try and realize
There were promises and lies
too many times

When you remember me
If you remember me
I hope you see
It's not the way I want it to be
Or I'd be there with you now

My love goes with you.

1980 HOMECOMING PARADE

WHAT IS HOMECOMING?

To the students at Antwerp High it's a CRAZY & WILD week leading up to the big Homecoming Game. Homecoming included, Spirit Week, Parade of Floats, Football Game and Homecoming Dance. The cheerleaders put a lot of effort into Homecoming and Congrats goes to them for making it a success.

No, the game wasn't such a success but spirits were kept high at the Dance.

King and Queen

Seniors Margie Snider and Roger Reece were chosen the Queen and King of the 1981 Prom which was held at the American Legion on May 2.

Junior Class members and advisers spent most of Friday and Saturday decorating and transforming the American Legion Hall. The center of attraction was a fountain which also served as a background for the pictures which were taken of the Prom couples. Junior class members' parents worked on the meal which was served prior to the dance.

The music was provided by the band, "Fantasy." 200 people were there to enjoy the music, food and fun! — Congratulations to the Class of '82 for a successful Prom!

ARCHER MARCHING BAND

The 96 member Antwerp Archer Band has a tradition of outstanding performances on record.

Beginning in August, the marching band played a series of 15 scheduled performances before the end of October and traveled to a competition in Southern Ohio. On October 18th, the Antwerp Bands and Band Boosters hosted the first annual Antwerp Class C Invitational Marching Band Contest featuring the best of the local class C marching units from our area.

We would like to thank the people of Antwerp for their continuing support and also the band members parents. Thank you.

Coach Slattery

There are many volleyball squads out there, but the work, desire and enthusiasm necessary for a successful team. This year's Lady Archers put together the best volleyball season yet in the history of the school by advancing to the second semi-finals. I am proud of the team and their hard work, as the season provided me with these same qualities, as the season provided me with a type of learning experience for the future.

In most cases a basketball game will Produce a winner and a loser. But one could hardly call the Lady Archers losers after their 43-42 loss to the number one, State-ranked Kilida Wildcats in the opening game at Districts.

The Lady Archers, sixth-ranked in the final U.P.I. poll, ended their season at 19-2.

No, the Lady Archers didn't make a return trip to State this year, like many people prayed they would, but, they can be very proud of their season, having suffered only two losses.

No one can degrade the Ladies in any way. They gave it their best shot and no one could ask any more of them.

There are seven graduating Seniors on the team who will be missed not only by the team but, Seniors are #32 Mary Vail, #22 Sue Brown, #20 Cindy Savage, #15 Janean Franklin, #30 Lana Hughes, #24 Joni Smith and manager Lori Clemens.

Congratulations to the Ladies for giving us the best four years of Lady Archer Basketball in the history of Antwerp Hlgh. Congratulations also to Coach Olwin and good luck next year!

THE Guy Cheerleaders showing some of their good old Archer Spirit!!! (nice glasses guys)

This is the second year that a group of guys have gotten together to support the Lady Archers on and off the court. The guys became famous for keeping the fans up when things were down. They performed several different cheers: spelling out the word "Archers" on the gym floor, the basketball cheer, and building a pyramid to get the fans off the bleachers. A special thanks goes to Miss Amy Simcox, for helping the guys when they needed help!

VANTAGE VOCATIONAL SCHOOL

VANTAGE

In the fall of 1976, Vantage Vocational School opened its doors to almost 450 students. By the fall of 1979, Vantage had expanded to 675 students in 20 different programs.

Several of Antwerp High students have taken advantage of Vantage. They find that learning skills in High School helps them to be more qualified for the job market after graduating.

As the community's needs change, Vantage will meet these needs to be of service both the community and the students it serves. The past may not be changed, but Vantage will help shape the future.
